# Announcement

The Golden Rule herd of Shorthorns was founded forty-six years ago on a few well-bred cows. We have used only bulls of the highest class and the best of breeding. We are giving the public the opportunity to profit from the result of forty-six years of improvement of a herd of Shorthorns that was founded upon the best specimens that were obtainable when the herd was started.

Our last three herd bulls were Browndale Villager 1646189, Edgcote Major 1818247 and our present herd bull, Browndale Gloster 1889937 which we are selling in this sale as we are keeping his heifers.

Seldom is there the opportunity to buy such bulls as sell in this sale. The thirty females we are selling in the sale are of rich Scotch breeding and will look good in any herd. Our herd was never in a more healthy condition. We have 100% calf crop this year and there will be more than twenty calves at foot with their dams and rebred. Nine will be bred to Scottish Admiral 1800653, the Husted bull, and the others to our herd bulls.

The Husted Bros. herd is one among the most popular Shorthorn herds in the Cornbelt, and I know of no breeder that has achieved greater success or made more advancement as breeders of good cattle than Husted Bros. They have always used the best of bulls at the head of their herd. Their present herd bull is the Tomson bred bull, Scottish Admiral 1800653, one of the thickest-fleshed, deepest-bodied and shortest-legged red bulls to be found in Iowa today, and sons and daughters of this great bull are always in demand. Several young bulls by him have topped Iowa Association sales, and daughters by him are equally as good as the bulls. His calves are all uniform and good color. This sale provides an opportunity to buy calves by and cows bred to this great sire.

We invite you to come to this sale. There are no shy breeders' or doubtful animals in this sale. We are proud of this offering.

W. E. GRAHAM.
